“I like about that, this was made for somebody that’s very special. The teachers don’t really holler, they just bring us back to a table and say, ‘why do you think that?’ instead of just hollering at us. I like to write. I want to be a writer and a texter. I’m going to write about that it took me a long way to get to writing. A loong way. I want to write about that I made it.”
